

# American Popular Song Society

## APPLICATION FOR MEMBERSHIP 2017 - 2018 SEASON

The American Popular Song Society began as New York Sheet Music Society with a small but dedicated group of collectors, who met at The Songwriters' Hall of Fame Headquarters (through the courtesy of its President, the late Sammy Cahn) to exchange sheet music and stories about songwriters, singers and songs. From the start the meetings were lively affairs and they continue to be to this very day.

### Hear the music of **The Great American Songbook**

-- it all comes alive on the **second Saturday afternoon** of each month, October to June, when we meet -- and you're most cordially invited!

From 1:00 to 1:30 we have a "flea market" where members socialize, buy, sell and trade sheet music, CD's, books and vintage material. There is also a table for Members who have recorded their own CD's to sell them. At 1:30 the meeting is called to order, the President makes announcements, at 1:45PM, the Pre-show and at 2:00 the exciting Program begins.

How long has it been since you've heard programs of Gershwin tunes, Arlen's blues, Kern's melodies, Yip's lyrics, not to mention Porter, Hoagy, Loesser and other greats - or the Big Band sounds of the Duke & the Count with Ella, Sarah, June and Anita?

Past season's programs have included tributes to Fred & Ginger, Judy Garland, Jule Styne, Bert Kalmar, Frank Sinatra and even Lucille Ball - plus a showcase of new songs and songwriters.

**WHERE & WHEN:** Local 802 Musicians' Hall, 322 West 48th St. (between 8th & 9th Avenues)  
1:45pm on the second Saturday of the month. Come earlier to buy vintage music and CDs cheap.
